

WELCOME EVENING IN WANGEN

On the first day we arrived at 6 o'clock at our accommodation and at 7 o'clock we went to the centre of Wangen. There we went to the youth centre and the young people from Wangen and Ebensee welcomed us with a sandwich dinner prepared by them. The Wangen councillor gave us a bit of a presentation about the programme we would be going through during those days and then we were there in the youth centre playing pool and then we went for a walk around the town centre.
